FAILURE TO COMPLETE ALL REQUIREMENTS MAY RESULT IN LOAD REFUSAL

The Southern Idaho Solid Waste District accepts large animal carcasses and offal. Loads of animal carcasses and offal must follow these guidelines:

- Carcasses and offal may only be accepted during a one-hour time period each day at transfer stations. Please contact your local transfer station for the times they will be accepting this waste.
- Prior notice and/or an appointment may be required before carcasses and/or offal can be disposed of at the transfer stations. The transfer stations may refuse waste brought in without prior notice.
- No more than 2 large animal carcasses or 5 cubic yards of offal may be deposited at the transfer stations in any one day, from any one source. Larger volumes of carcasses/offal must be taken directly to the Milner Butte Landfill.
