**FAILURE TO COMPLETE ALL REQUIREMENTS MAY RESULT IN LOAD REFUSAL**

The Southern Idaho Solid Waste District accepts large animal carcasses and offal. Loads of animal carcasses and offal must follow these guidelines:

- Carcasses and offal may only be accepted during a one-hour time period each day at transfer stations. Please contact your local transfer station for the times they will be accepting this waste.
- Prior notice and/or an appointment may be required before carcasses and/or offal can be disposed of at the transfer stations. The transfer stations may refuse waste brought in without prior notice.
- No more than 2 large animal carcasses or 5 cubic yards of offal may be deposited at the transfer stations in any one day, from any one source. Larger volumes of carcasses/offal must be taken directly to the Milner Butte Landfill.

<b>Waste Type</b>	<b>In-District</b>	<b>Out-of District</b>
